

RC REP is delighted to announce our inaugural New Works Festival:

Renaissance City Repertory Theatre is seeking submissions for One-Act and Two-Act theatrical pieces corresponding with the theme:

Crossing Borders

We are interested in new plays and musicals that literally or metaphorically look at the theme of crossing borders. Borders can be geographical, racial, political, emotional, sexual, gender-related, etc. Borders can be obstacles or opportunities. Borders can create, reveal, and mend conflict.

Requirements:

1. Each submission should be at least 45 pages, and should not exceed 120 pages.
2. There is no fee to submit; however, we do ask each individual to submit only one “one-act” and one “two-act” work.
3. Submissions can be plays or musicals.
4. It must follow the theme of “**Crossing Borders**” in some way. Have fun with it, as borders aren’t necessarily physical!
5. Two Acts (or more) must have a clearly labeled interval.
6. Scripts should not have had a previous public performance (including staged readings.)
7. Chosen playwrights will be matched up with a dramaturg and director. Playwrights must be open and willing to participate in a collaborative play development process.
8. There is no character/cast size limit, however, each work will be allotted no more than 5 actors for the staged reading. Doubling of course is possible.
9. For musicals, please include sample tracks and/or sheet music.
10. There are no time period or genre constraints. We seek stories that will engage a contemporary audience.
11. Up to three pieces may be selected!
12. RC Rep is unable to house out of town artists. Cost of travel is up to the individual.
13. Please submit by Sunday, January 22nd, 2023.

If Selected:

- Chosen scripts will be given a one-night staged reading that will be presented to the public in May of 2023
- Part of the process will be to meet regularly with a dramaturg over the course of a couple of months leading up to the public reading. This allows the playwright to develop their new piece of work before its first public reading. The process will also include one private/in-house reading!
- **Playwrights will receive a \$100 honorarium.**
